AGRO FOD PARK

English below

Godmorgen!

Husk at det er Mors dag på søndag den 14. maj! Vidste du, at dagen stammer fra USA og blev opfundet i 1872? Tanken var oprindeligt, at dagen skulle være en dag for fred, men blev ændret til en dag for at ære mødre og mødres arbejde.

Ugens tip: Har du tekniske problemer i mødelokalerne? Kontakt ServiceDesk på tlf. 87 40 50 60 eller på mail: ServiceDesk@seges.dk.

Vi ønsker jer en god uge i Agro Food Park.

Fridairy Bar nu på torsdag!

Kom til fredagsbar om torsdagen, nu på torsdag den 11. maj fra klokken 15.00. Det foregår hos Mejeriforeningen på første sal i Agro Food Park 13.

Tag en øl eller en sodavand sammen med dine kollegaer og de andre medarbejdere i Agro Food Park. I tro mod mejeritemaet, vil Mejeriforeningen servere noget ost, og vi sørger for kiks eller knækbrød.

Kom forbi til et hyggeligt visit inden du tager hjem på torsdag, det kan kun blive godt!

El-ladepladser i AFP

El-ladepladserne ved AFP 15, AFP 26 og den store parkeringsplads ved AFP 13 har fået ændret tidspunkter. Nu kan man parkere og lade på disse pladser i maks. 3 timer mellem kl. 7-18.

Vi har modtaget mange henvendelser omkring mangel på el-ladepladser. Derfor har vi besluttet, at de to Clever ladestandere ved gæsteparkeringspladsen i AFP 26 nu kan bruges af alle. Selvfølgelig med samme regler som de øvrige ladestandere i AFP.

Hertil kommer der en reminder omkring brugen af disse el-ladepladser:

1. Det er kun tilladt at lade din el-/hybrid-/plug-in-hybrid-bil i maks. 3 timer. Derefter skal bilen flyttes til en bås i privatparkeringszonen. (OBS! Læs de skilte parkeringsregler.)
2. P-skiven skal være synlig og skal kunne læses i al slags vejr, samt vise det korrekte tidspunkt for standsning af bilen.
3. Det er kun tilladt at holde inden for stregerne i parkeringsbåsen.
4. Overtrædelse af disse regler medfører en parkeringsafgift på 795 kr. per påbegyndt døgn.

Har du spørgsmål til ovenstående? Kontakt receptionen på info@agrofoodpark.dk.

Omklædningsrum i Agro Food Park

Omklædningsrummet i AFP 26 er udfordret på plads. Der hænger ofte for meget tøj, som er tørt, på knagerne og i tørreskabet. Som lejer har man pligt til at huske at lægge sit tørre tøj ind i omklædningsskabet.

Hvis du ikke har et omklædningsskab, kan du få en nøgle ved at komme forbi receptionen i AFP 15 i åbningstiden.

De "gamle" toiletter fra AFP 15 sælges

Ifm. med toiletrenoveringen i AFP 15 etableres der væghængte toiletter. Derfor har vi nogle forholdsvis nye toiletter i overskud. De er ca. 5 år gamle, så de kan sagtens fungere længe endnu.

Modellen er Ifø Sign med soft-close.

De kan købes som beset til 500 kr./stk. Der er cirka 30 stk.

Man kan se et af toiletterne i vareindlevering i AFP15.

Ved interesse kontakt Janne Pløen på jpl@agrofoodpark.dk.

Ny stærk profil som topchef for SEGES Innovation

Tom Heron bliver pr. 1. august 2023 den nye topchef for innovationsvirksomheden SEGES Innovation P/S. Dermed sættes en ny stor kapacitet i spidsen for at videreudvikle bæredygtig landbrugs- og fødevareproduktion. Den geologuddannede, Tom Heron, er i dag regions- og sektordirektør for den rådgivende ingeniørvirksomhed NIRAS med ansvar for fagområder, der også er centrale i SEGES Innovation. Heriblandt miljø, bæredygtighed og digitalisering.

Good morning!

Remember that the Danish Mother's Day is on Sunday, May 14th. Did you know that the day originated in the United States in 1872? The day was originally intended to be a day of peace, it was later changed to a day of honoring mothers and their work.

Tip of the week: Do you have technical problems in the meeting rooms? Please contact ServiceDesk on tel. 87 40 50 60 or by e-mail: ServiceDesk@seges.dk.

We wish you a great week in Agro Food Park.

Kind regards,
Agro Food Park

Fridairy Bar hosted by The Danish Dairy Board

This Thursday, the 11th of May, The Danish Dairy Board is hosting a Friday Bar. It will start at 15.00 by their offices on the first floor of Agro Food Park 13.

Grab a beer or a soft drink with your colleagues and all the other employees in Agro Food Park. In spirit of the dairy theme there will be some cheese and crackers to snack.

Stop by on Thursday before you go home!

Electric charging stations in AFP

Please notice that from now on you can only use the electric charging at AFP 15, AFP 26 and the large parking lot at AFP 13 for a maximum of 3 hours between 7AM to 6PM.

We have received many inquiries about the shortage of electric charging stations. Therefore we have decided that the two Clever charging stations at the guest parking lot in AFP 26, now can be used by everyone. Of course, still according to the rules of all the other charging stations in AFP.

Here is a reminder about the use of the electric charging stations:

1. It is only permitted to charge your electric/hybrid/plug-in-hybrid car for a maximum of 3 hours. After this, the car must be moved to a space in the private parking zone. (NOTE! Please read the parking rules on the signs by the parking lot.)
2. The parking disc must be visible and legible in all weather conditions, and it must show the correct time the car was parked.
3. It is only allowed to park within the white lines of the parking spot
4. Violation of these rules will result in a parking fee of DKK 795 per day.

If you have any questions, please contact the reception at info@agrofoodpark.dk.

Changing rooms in Agro Food Park

The changing rooms in AFP 26 is particularly challenged by the fact that there are often a lot of clothes hanging on the hooks and in the drying cabinet. You, as a tenant, have a duty to remember to put your dried clothes in your locker.

If you do not have a locker, you can ask for a key to a locker at the reception in AFP 15 during opening hours.

For sale: the "old" toilets from AFP 15

Because of the toilet renovation in AFP 15, wall-mounted toilets will be installed. Therefore, we have some relatively new toilets in surplus. They are approx. 5 years old, so they still have a lot of use in them.

The model is Ifø Sign with soft-close.

They can be bought as seen for DKK 500/each. There is about 30 of them.

One of the toilets can be seen in the mail room in AFP15.

If interested, please contact Janne Pløen at jpl@agrofoodpark.dk.

New CEO of SEGES Innovation

As of August 1st 2023, Tom Heron will be the new CEO of the innovation company, SEGES Innovation P/S. This means that a new, high-capacity person will be at the forefront of further developing sustainable agricultural and food production. Tom Heron, a graduate geologist, is currently regional and sector director of the consulting engineering company NIRAS, where he has responsibility for professional areas that are also central to SEGES Innovation, including the environment, sustainability and digitalisation.

Cultivated meat seminar 2023

In recent years, Department of Food Science at Aarhus University has been the Danish epicenter for research in the technological aspects of cultivated meat research. They now invite you to an online seminar to present the latest progress in the field.
