Godmorgen!

Så ramte vi uge syv, som for nogle måske betyder vinterferie! Vi håber, at I får en dejlig uge, uanset om den foregår i Agro Food Park eller ude i verden.

Ugens tip: Kantinen i AFP15 er lukket torsdag og fredag, men caféen i AFP13, og kantinen i AFP26 vil være klar med lækre retter!

Kode til Wi-Fi i hele Agro Food Park

Wi-Fi: AFPGuest
Kode: afpguest

For at leve op til kravet om, at data skal transmitteres krypteret, vil der i løbet af uge 7 blive indført kode på det trådløse netværk AFPGuest.

Jeres enheder vil typisk huske koden, så I skal blot taste koden én gang. Der vil blive sat skilte op i mødelokalerne, kantinerne og ved kaffeøerne med netværksnavn og kode.

AFP26 har siden start haft sit eget netværk med kode, men fremover vil det være samme netværk, som anvendes i alle tre bygninger - AFPGuest. De eksisterende skilte i bygningen vil naturligvis blive opdateret med nyt netværksnavn og kode.

Drop-in meeting: Biodegradable coating for cardboard/paper food packaging

Current challenges regarding sustainable food packaging design for packaging waste circularity will be discussed. At the drop-in meeting the "Seapack" Team, from the Department of Food Science at Aarhus University, will present their innovative coating made from wasted crab shells, including a detailed explanation of production costs, market opportunities and potential applications.

The drop-in meeting is in meeting room Plant, Agro Food Park 13, March 1st at 15.00-16.00. It is free of charge but please send a mail to Søren Madsen – srma@agrofoodpark.dk, if you would like to participate.

Good morning!

Now it's week seven and for some of us that means winter holiday! Regardless, we hope you have a lovely week, whether it's at Agro Food Park or out in the world.

Tip of the week: The canteen in AFP15 is closed on Thursday and Friday, but the café in AFP13 and the canteen in AFP26 are ready with delicious dishes!

Kind regards,
Agro Food Park

WiFi password throughout Agro Food Park

WiFi: AFPGuest
Password: afpguest

In order to meet requirements regarding that data must be transmitted through encryption, a password for the AFPGuest network will be introduced during week 7.

Your device will typically remember the password, so you only have to enter the password once. Signs with the network name and password will be placed in the meeting rooms, canteens and at the coffee islands.

AFP26 has had its own network with a password since the beginning. From now on, the same network will be used in all three buildings - AFPGuest. The signs hanging around the building will be updated with the new network name and password.
