AGRO FOOD PARK

English below

Godmorgen!

På torsdag er det Kristi himmelfartsdag, hvor kristendommen fejrer, at Jesus, efter sin genopstandelse påskedag, fór til himmelen. Vidste du, at der engang har været en tradition, hvor man samlede bøgegrene i skoven dagen før Kristi himmelfart, for at få beskyttelse mod hekse? Eller at man, ifølge en gammel folketro, beskytter sit tøj mod møl, hvis man lufter det på helligdagen?

Ugens tip: Tjek det lille grå "i" i Pronestor for at se hvad du kan bestille, tidspunktet du kan bestille varen i, hvor det kan afhentes og om det kan leveres, samt bestillingsfristen.

Vi ønsker jer en god uge i Aggro Food Park.

Good morning!

Thursday this week is Ascension Day - the day where Christians celebrate that Jesus went to heaven after his resurrection on Easter Sunday. Did you know that there once was a tradition of collecting beech branches in the forest the day before Ascension Day to protect yourself against witches, or that, according to an old folk tale, airing your clothes during the holiday will protect them from moths?
