

The Agro Food Park Network

AGRO
FOOD
PARK

This booklet has been created by Agro Food Park as a way to fulfill the wishes of companies and employees who want to get to know each other better.

In this booklet, almost all companies, departments, or brands in Agro Food Park have their main services, products, and/or purpose briefly explained. A few have chosen not to participate in the booklet. If they wish to do so later, they are welcome to contact us. Also, companies move in and out of Agro Food Park every month, so this booklet may not be 100% accurate.

The booklet is designed for networking purposes. Through the brief descriptions of each company, we hope to introduce you to the Agro Food Park network and the possibilities for collaboration. Each company has provided one personal contact who is eager to engage with the network. You are welcome to contact them.

> Thanks to all who wanted to be part of this booklet

Every page will contain these informations about a company <
